

# MASTER OF SCIENCE POLICY AND COMMUNICATION

(N/0388/7/0001) (07/2028) (MQA/PA 16362)

As Malaysia continues to face supranational challenges on the frontier of science and policy, our Master's programme calls for bright minds like yours.

This is your gateway to becoming a visionary changemaker, armed with the power of science and evidence-based policymaking. Dive into intellectually stimulating discussions on global challenges with like-minded individuals, from climate mitigation to technology regulation. Be the bridge builder connecting scientists, policymakers, and institutions worldwide.

Your education goes beyond borders, shaping you to make a real impact on the world stage. Join us in crafting a future where your intellect meets policy influence for global progress.
